LETTER FROM THE EDITOR

Hey readers,
I'm so excited to bring to you this 2nd edition for this year of the Xaymaca Key. This issue took me awhile to put together as I have never made a newsletter this long and inclusive of so many articles. BUT it is my hope that this proves to be extremely informative and visually appealing.

In this newsletter we have:

- messages from most of the board
- Featured K family clubs
- Awards
- Information on the YOF grant
- and so much more in store

As we are going through trying times with our wildly unpredictable schedules it is important for each of you to continue to stay safe, wear a mask and practice techniques that help you to keep calm. The school year is about to start so there will be new challenges with learning but it is important to remember you are all still Key clubbers and are here to serve your

Home, School and Community.

Now sit back and take in the motivating words of our board and appreciate the Key Club International Sponsors that make this all possible.

Message from the Governor

Hello Key Club Jamaica,

I hope all is well and that this message finds you all in a good mood. Unfortunately this year we haven't been given much opportunity to attend and host annual events that we've come to look forward to, as in previous years. Our physical interactions have also been restricted due to the outbreak of the novel corona virus, but nothing can kill our Key Club spirit. Instead of dwelling on what could've been, let's think about what can be. This is the perfect time to do something you've always wanted to do; maybe learn to code, learn a new language or you could use your time to brainstorm project ideas.

The fact is if we like it or not being under quarantine has become a part of our we like it or not being under quarantine has become a part of our daily lives, so we should make the most out of it. I hope to meet you all in the near future. Stay protected, stay safe and remember that change begins with you, until next time.

Yours in service,
Demario Mew
District Governor
Key Club Jamaica

Message from the District Secretary Treasurer

Hey Key club Jamaica ! My name is Jaden Stoddart and I'm your District Secretary Treasurer for 2020-2021. I look forward to working with you all to have a fun and productive year despite the unique challenges we all face this year. So as we all adjust to these new circumstances let's all work together to stay safe while we continue with our activities. I urge you all to keep as motivated and driven as you have always been.

Message from the District Webmaster

Hi everyone, My name is Whitney Waysome and this key club year I will be serving as your District Webmaster. I attend Hampton School where I am in upper sixth form. Since being apart of key club I have learnt to be the best version of myself by adapting leadership skills that has helped to build character. Serving as my club's Bulletin Editor last year it was easy to transition into my role as District Webmaster and sole my plans for this year include : fully developing and publishing the district website, working along with the DBE Amelia to co-chair the communications and public relations committee and to mentor bulletin editors across the district. Looking forward to

working with you all. Stay inside and stay safe.

- Whitney Waysome

Message from the LG of D1

Hey Key Clubbers !

In case you don't know, I am Lieutenant Governor for Division One, Wendy-Ann Ivey and I attend St. George's College. We are about to begin the second quarter of the Key Club year and I am excited to see us all work hard to not only improve the standards of our clubs, but to also maintain those standards. Unfortunately we are facing difficult times, and many of us might be confused as to where we go from here.

As Lieutenant Governor, some of the plans I had depended on us coming together physically. However, I have been learning to coming together adapt to the new normalcy. One of my goals for the

year was to get rid of the communication barrier between the different schools, after achieving this, despite the challenges we currently face, there is a greater sense of togetherness within my division.

Despite the pandemic altering the normalcy in our way of life, projects and meetings need not be canceled, but simply planned bearing Covid-19 in mind.

There is life during and after Corona and I pray that we will have a great year and that our clubs will strive despite the circumstances as we all continue to build our home, school and communities.

Message from the LG of D2

Hey Key clubbers, my name is Alexander Mingoies and I'm the Lieutenant Governor for the great Division 2. I'm a chill, understanding and kind person that's easy to talk to. This is my second year of being LG and I'm happy to have this opportunity. I've been apart of Key club for a few years now and I know that we have never experienced a key club year like this. So in the unprecedented times I wish for us to keep as active as possible even though there are tons of restrictions and I plan on doins as much as I can to help anyone who needs help. This key club year will be a successful one as long as we all band together, be optimistic and stay determined in honoring our pledge.

- Alexander Mingoies

Message from the LG of D3

Hi am Kodesh Doiley, a student of St. Catherine High School and I am the newly elected Lieutenant Governor for the Division 3. I must say it is an honor to be trusted to run this division and I am fully aware of the role and responsibility that has been thrust upon me. It is my mandate to work closely with the board of governors to ensure a smooth operation in the management of the affairs of Keyclub Jamaica thus ensuring transparency so that all stakeholders can be duly satisfied.

Our main purpose is to increase the continued success of this district and to do so we will need the unconditional support of all executive members from every single club across the district. The foundation has been laid, let us now create monumental structures that will last for years to come.

Thank you.

Message from the LG of D4

Hello everyone. I am Maleika Moncrieffe, the Lieutenant Governor of Division 4.

Due to COVID- 19, we are facing unprecedented times, and it is now more than ever that our service as Key Clubbers is needed. As we embark on the most interesting and creative Key Club year, I aim to be the visionary, delegator, problem solver, motivator, organizer and architect of this division that will steer us to greatness.

My objectives for Division 4 are to: 1. Increase our numbers, 2. Strengthen our clubs and sponsoring Kiwanis relationships, and 3. Boost our activeness in district events and matters.

As we continue to navigate these challenges regarding the coronavirus, remember to always stay safe! I leave with you my last words, if you go through life imparting nothing, then that was not a life worth living, and with Key Club we are all given the opportunity to impart our knowledge and service. I am beyond elated for all that is to come and the memories that we will be making along the way.

- Maleika Moncrieffe

Message from the LG of D5

Hi Everyone, my name is Arnav Chatani, and I will be serving as Lieutenant Governor for Key Club Division Five. I am 16 years old and I attend the Heinz Simonitsch School. As a person I would describe myself as hardworking, consistent and fun.

I am looking forward to the upcoming year as LG for Division Five, looking to not only uplift our division, but to make an impact on the district as a whole. The Corona Virus has hindered us thus far from progressing as we normally would in Key Club. With that being said, I still believe we can all work together to make this year a spectacular one. I am looking forward to meeting and serving alongside you all in the various projects and events planned for the year. For now, however, I implore you all to stay at home and stay safe.

- Arnav Chatani

Message from the LG of D6

Hello I am Yolanda Smith, the Lieutenant Government for Division Six. The year of 2020 has given us great challenges as we are expected to practice social distancing and keep safe, I hope that we stay connected with our friends and family through social media. For this key club year I aim to develop upcoming key clubs in the division as well as to expand our skills to execute successful projects for the year 2020 - 2021.

- Yolanda Smith

Message from the LG of D7

Hey everyone!

I am Keeno-Lee James the Lieutenant Governor of Division seven. Currently I am in upper six at Jamaica's oldest educational institution, The Manning's school located in westmoreland. Since the key club year has started, the journey has been quite technical given that most things must be done remotely as a result of the corona virus. However, I believe that this local epidemic has given us a plethora of opportunities to embrace the present to move forward.

For this key club year, I aim to grow my division stronger by starting new clubs and strengthening those we already have. In addition, plans are in place to have remote socials as well as to devise new ideas on how to execute projects during these trying times. I look forward to working with you all in building a better Jamaica.

Message from the District LG

Hey keyclubbers

I hope you all are in good health and are also taking the necessary precautions to stay that way especially during these times

I am IPDLG (Immediate Past Distinguished Lieutenant Governor) Siranie Dias of Division 4 and I am introducing myself to my fellow key clubbers because I have been given the opportunity to grow my love of service by not only serving D4 but every other Division (Excited? Yes).

How so?

I am your LG at Large for this key club year. I plan to serve you all by helping your Lieutenant Governor's to unleash their best leadership qualities and help their tenure to go along much smoother. I definitely look forward to both directly and indirectly serving you all.

I leave with you one of my favorite quotes by Henry Ford

"Obstacles are the things you see when you take your eyes off your goals".

Keep Safe,
Siranie Dias

Message from the Chairperson of Membership Growth and Retention

Hello! My name is Kimberlee Foo, I am a member of the Campion College Key Club and the Chairperson of Membership growth and retention for the district board. I consider myself a very social and outgoing person, using these aspects of my personality my goal for this Key Club year is to ensure all division 2 Clubs are thriving with new and current members by coming up with fun ideas for students interested in becoming members! I aim to encourage more people to join key club so that we may build a bigger society in helping Jamaica. Thank you!

Key Club International Summer Leadership Conference

As International Convention had to be cancelled this year, the Key Club International board instead hosted their first ever online International Convention. It was 3 days of sessions and workshops where key clubbers learnt skills, tips and tricks that would help us all carry out our duties even better. Some of the workshops offered this year included: Thirst Project: Global citizenship and local service, Diversity and Inclusion, Food Insecurity, College 101 along with various trainings for the positions of governor faculty advisor, editor, to name a few. As we boast over 350 registrations and attendants for the event, we are thankful for all those who registered and attended the sessions!

Key Trivia

As of 2010, Key Club has 30 member nations, and clubs exist on every continent except Antarctica.

Jamaica District had the most ever clubs distinguished at the Diamond Level at this year's ICON.

In May of 1946 the first Key Club newsletter was published and it was called "Keynoter."

Key Club International expects for each member to do 50+ hours of service a year making that around 12 million hours annually.

The first official Key Club district was Florida and it was founded in 1939.

REMINDER

Although you are at home and we do hope you are keeping safe Key club goes on. So we are begging each club to still

HAVE MEETINGS!!

Individual clubs continuing to have meetings, elect boards and have whatever safe services they can is vital to keeping the organisation going. So we urge all of you to take to Whatsapp, Zoom, Google Meets or even IG Live to communicate with your members and plan how you will be moving forward this unpredictable year.

YOUTH OPPORTUNITY FUND (YOF)

WHAT'S IT ALL ABOUT?

The Youth Opportunities Fund (YOF) is an endowed fund of the Kiwanis Children's Fund which provides grants to Key Club and Key Club members for scholarships and service opportunities.

YOF grants can help you take action. Look around and identify service that needs to be done in your school, community or the world. Then apply for a grant.

Grant Basics

- YOF grants are only given to Key Clubs and/or individual club members. Grants are not given to divisions or districts.
- Grant amounts between US\$100 to US\$2,000 may be requested.
- Applications must be submitted online by October 15 at 11:59 PM, EST.
- Applications are reviewed by the Key Club board at the November meeting.
- Grant applicants are emailed of outcomes the first week of January.
- A list of grant recipients is posted online the third week of January.
- The club's 2019-2020 dues **must** be paid before YOF grant checks can be issued.
- A YOF Final Grant Report is due at the end of the grant cycle (January 1).

YOF IN JAMAICA

Digicel Foundation Mek a Muckle Micro Grant

The grant offers a maximum of JM\$165K to schools, youth clubs, community groups and organisations. To be eligible for this grant the application must:

1. Demonstrate an appropriate management structure to effectively manage the project and show financial viability.
2. Commit to utilizing the funds for the purpose it was granted. Any deviation should be approved in writing.
3. Commit to acknowledge the contribution of the Foundation in all public materials associated with the funded activities.
4. Submit fully completed applications signed by two executive officers and a Justice of the Peace.

A MESSAGE FROM...

Our International Trustee Melanie Kim!

Hello Jamaica District! My name is Melanie Kim, and I have the distinct honor to serve as your 2020-2021 International Trustee! I have heard such positive things about this district like your unmatched passion for serving, and I am so excited to be able to work with everyone. Outside of my Key Club life, I am a 11th grader from the state of Georgia. I love to paint, bake sweets, and listen to music. Although this year is quite unprecedented, I will try my best to make this service year a remarkable one. Some of my goals are to effectively communicate with the governors and district board members, hold multiple brainstorming sessions along with district calls, provide resources/guidebooks, and act as a support system and sounding board for everyone!

If you have any questions or just want to talk, do not hesitate to contact me!

Yours in Service,

SERVICE IDEAS

BOOKMARK IT

Here are a few things we hope to accomplish this year. Feel free to let us know if you have any ideas of your own.

- Giving toiletries to those in need during COVID19.

I pledge on my honor to uphold the objects of Key Club International; to build my home, school, and community; to serve my nation and God; and combat all forces which tend to undermine these institutions.

Co-operating with members and hosting service projects and fundraisers at CMN hospitals.

Children's Miracle Network is a non-profit organization that supports member children's hospitals across the U.S through Monterey donations and fundraisers. Since 1983 CMN has been filling up the gaps left by inadequate government funding. They assist Key Club by

March of Dimes, founded in the 1938, is an organization dedicated to offering care and support to mothers and their babies throughout the course of pregnancy and post-natal care. This organization, in partnership with Key Club International, has made strides in providing education surrounding pregnancy, research in pre-natal and post-natal medical care as well as providing support to mothers during this time. Over the decades, March of Dimes has raised millions of dollars in order to further its mission of offering care and support to mothers and their babies.

Nickelodeon, a longstanding partner of Key Club International, is a television network that is primarily focused on providing entertainment for children and their families. In partnership with the Key Club organization, Nickelodeon has organized several campaigns and annual events that are primarily focused on promoting physical wellness and awareness of our environment in children. These include Nickelodeon's 'World Wide

Day of Play', which is an annual event that encourages children to get active and engage in a series of thrilling outdoor activities, as well as Nickelodeon's 'Get Dirty' campaign that has a primary goal of encouraging mindfulness in children about their environment and the variety of methods available to care for it.

For many years, Key Club International has partnered with the United States Army to aid in providing job and education opportunities for the world's future leaders. The partnership between the organizations aims to promote a thirst for learning and core leadership skills in youth. Through programs such as Reserve Officer Training Corps (ROTC) and March2Success.com, many students have been provided greater opportunities for furthering their education through a wide array of academic resources and college funding.
