Demario Mew - District Governor:

Hello Division Five, my name is Demario Mew, a short, Asian kid who currently attends the Wolmer's Boys School. This Key Club year I have the pleasure of serving as your District Governor. Unfortunately, due to circumstances we are unable to meet in person, but hopefully we will be able to see each other some time soon. Over the years, your division has always shown your strength and spirit, so I ask that in this time of uncertainty you keep that Key Club spirit roaring. I look forward to meeting and working with you all in the near future, as we continue to make this world a better place, one project at a time. Stay safe and continue being the wonderful persons you are.

Jaden Stoddart - District Secretary-Treasurer:

Greeting Key Club family. It is my sincere honour and privilege to serve you all as your District Secretary-Treasurer, for the 2020-2021 year. Despite the limitations we may all face during this period, let us not be discouraged or feel set back, but be ever more driven in our endeavors, as we look forward to an insightful and productive year. For a certainty, our mantra: "Caring, Our Way of Life", shall be further embedded in our hearts as we carry out our year's activities together

Kodesh Doiley - Division 3 Lieutenant Governor

I am Kodesh Doiley, a student of St. Catherine High School, and I am the newly elected Lieutenant Governor for Division 3. Our main purpose is to increase the continued success of this district, and to do so we will need the unconditional support of all executive members, from every single club across the district. The foundation has been laid, let us now create monumental structures that will last for years to come.
