LG's Message

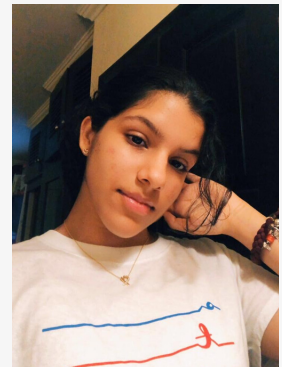

Hey Keyclubbers! I hope you all are doing well. The month of June was one which was filled with various events, such as installations, Kiwanis meetings and others. I have tried my best to attend as many of these events as possible, so some of you may have noticed my attendance. This month has allowed me to get to know more members from the division and gain feedback from you all. I have also been able to work with our Presidents and Vice-Presidents to help them in any way necessary, and give advice for the upcoming year. This Key Club year should be a blast, so stay tuned. I hope you enjoy reading through this month's newsletter, and feel free to let me know of any questions or concerns you may have. Thanks for reading, and please stay safe everyone!

Having Fun at Home

Staying at home during quarantine can become really boring and repetitive. Here are some tips to add some fun, and gain some knowledge during this period:

- Call or text your friends, or persons whom you haven't spoken with in a long time.
- Watch a movie by yourself or with friends via video call.
- Try out new hobbies and sports, for example, baking.
- Go outside for fresh air, and maybe take a walk (while remaining in social distancing guidelines).
- Complete tasks you have been procrastinating doing.
- Play online games with your friends, like Skribbl.io, Cards Against Humanity or Escape Rooms.
- Do home workouts and stay fit.
- Learn a new skill, for example, photo editing.
- Find some old bored games and have a family game night.
- Complete BuzzFeed quizzes.
