Lieutenant Governor's Message

Maleika Moncrieffe
 LG of Division 4
 Key Club Jamaica

Hello everyone. This is your captain speaking. Aboard this D4 ship we are in for quite a journey. Due to COVID-19, we are facing unprecedented times, and it is now more than ever that our service as Key Clubbers is needed.

As we embark on the most interesting and creative Key Club year, I aim to be the visionary, delegator, problem solver, motivator, organizer and architect of this division, that will steer us to greatness.

My objectives for Division 4 this year is to:

- ⇒ Increase our numbers,
- ⇒ Strengthen our clubs and sponsoring Kiwanis relationships,
- ⇒ And boost our activeness in district events and matters.

As we continue to navigate these challenges regarding the coronavirus, remember to always stay safe!

I leave with you my last words, if you go through life imparting nothing, then that was not a life worth living, and with Key Club we are all given the opportunity to impart our knowledge and service. I am beyond elated for all that is to come and the memories that we will be making along the way.

Past Lieutenant Governor's Message

Your ever loving LG (IPDLG)
 Siranie Dias
 Key Club Jamaica

Wah gwaan D4!
 I hope you all are staying safe during these critical times. Bitter-sweet feelings are all I am experiencing when it comes to being your IPDLG.

My tenure with you all have been one of the most exciting and memorable moments of my life. Key club has taught me how one drop of faith plus a pinch of determination multiplied by a seed of love and passion can change a situation for the better.

My fellow key clubbers, the backbone of this organization, never underestimate your worth and impact. Continue working together for the good of society and never stop sharing your memories. To all my D4 club leaders never stop leading with confidence and passion. Having a leadership role is a struggle at times but I promise it is all worth it in the end.

To the present LG, Maleika Moncrieffe, you are going to do great. Never limit yourself no matter how hard the idea may seem to execute. Always keep a positive crew in your corner. When your motivation is low, keep up the hard work and never stop aiming for success. I leave with you my mantra, "Obstacles are the things you see when you take your eyes off your goals."

THE MONTH OF

May is : LUPUS AWARENESS MONTH

‘Lupus is a disease that can affect people of all ages, races and ethnicities. The signs and symptoms tend to vary. Today is the day we take the time to commend and salute those battling with this illness everyday. Lupus does not discriminate; neither should we. Let’s do our part and put an end to that type of negativity. Instead spread love and awareness of this illness. Allow our fighters to see how much we care by raising awareness this May.

Let's Make Lupus Visible!

For Lupus Awareness Month, Division 4 Key Club members put together a video that paid tribute to our Lupus fighters. This video can be found on our Instagram page [@keyclub.d4](https://www.instagram.com/keyclub.d4) .
