From the Editor

Hey Everyone,

I'll be the first in this issue to say HAPPY NEW YEAR. Welcome to 2021! We have persevered and lived through the horrors of 2020 for 12 months! This is the 4th edition of the Xaymaca Key Volume 34 as well as the first Newsletter of the year and as such it will encapsulate the board's best wishes for this year. In this issue, you will see club activities and services that occurred between November 5th and January 2nd. Thank you to every club representative and bulletin editor that sent in your activities. It is always greatly appreciated and I hope you enjoy seeing your work featured in this forum. There will also be an overview of what we have been doing on social media, our district project, and much more. This bulletin commemorates the new year with a message from our District Administrator and International Trustee, you don't want to miss this.

As always, remember to #stopthespread by staying safe, wearing a mask, and doing the things that help you to keep calm like your hobbies. We know you are all exemplary members of your community and it has been hard maintaining that serviceable personality but it is not all for naught as you will see shortly. Key Club is all about building our

Home, School and Community.

All that said... sit back, swipe, read and absorb what our District has been up to.

~ DBE Amelia

HAPPY NEW YEAR!

MESSAGES FROM THE BOARD

Hello Key Club Jamaica, it's a new year that brings a lot of new opportunities for us all. Let's cease these opportunities and make this year a great one. Set your goals for the year from now and continuously work towards them. Your goals could include: exercising more, getting higher grades in school, or launching a new business, whatever it is just remember to put your best into it. And of course, remember to give service by helping those in need. I do believe this will be a great year for us all so let's make the best of the year 2021

Happy New Years' key club Jamaica! It's my hope that the upcoming year brings you all more prosperity and blessings than the previous. Let's all look towards the future now, suppressing the memories of unfortunate events and preparing to embark on new missions, journeys, and adventures.

MESSAGES FROM THE BOARD CONTD.

DWm Whitney
Waysome

Hello Key Clubbers! This is District Webmaster Whitney wishing each and every one of you a Happy and prosperous New Year. As we all get ready to return to face to face school I am stressing the importance of following COVID procedures to reduce the risk of contraction. Stay safe and healthy. Best wishes for the new school term.

Hello Key Clubbers!

By now you would've put on weight from all the Christmas cakes and sorrel 😊! But even if that wasn't your holiday experience, the most important thing is that you have life and made it to another year! It's 2021 and that means many things including my time serving with you all coming to an end. I pray that we will have a good rest of the Key Club year, as we continue to serve our home, school and community. Happy New Year 🎉🎉🎉

D1 LtG
Wendy Ann Ivey

D2 LtG Alexander
Rhingoes

Hey Key clubbers, HAPPY NEW YEAR!!! I hope you all had a great holiday and I hope you all are ready for the new year. 2020 wasn't anything we expected but we should enter this year with high hopes and we should expect the unexpected. For everyone sitting CAPE and CSEC, stay focused and start studying. Don't let Covid distract you, keep your head high and continue pushing. Be safe and remember to wear your mask.

MESSAGES FROM THE BOARD CONTD.

Hey Everyone.

This is Lieutenant Governor Kodesh Doiley from Division 3 wishing you a happy new year. I know 2020 has been a challenging year for you all but I encourage you to keep up all the good work. Despite the pandemic, let us still make a positive impact within our home, our school, and our community. Remember to sanitize regularly, don't forget to take your mask along whenever you hit the road. Kudos for making it into the new year. As Division 3 states "The Strong Conquerors," let us all Conquer all those dreams and plans as the year progresses. All the best!

Hey Key Club family. We finally made it to 2021! I am so proud of us for surviving 2020 and though every problem we faced will not go away in the blink of an eye, now we know to cherish each other more because we are all in this together. Here is to more service, fellowship, and friendship. Happy New Year! LG Maleika Moncrieffe of Division 4, Key Club Jamaica.

Hi Keyclubbers, Happy New Year! I hope you all have an amazing and safe new year, filled with many great opportunities. The start to this year is still an unusual one, but hopefully, as we go along everything will get better. Look out for many projects and events from my Division and Key Club Jamaica as the year goes on. Please remember to keep taking the necessary precautions, and stay safe everyone.

MESSAGES FROM THE BOARD CONTD.

Praise God Tumultuous 2020 is over! The past year had been trying for many of us. For most persons including myself, there were days when we felt like running away from the realities of online school and COVID-19. These days came one after the other and each month "out-ghettoed" the last. However, we thank God that even through it all we have learned and grown as individuals. Though we may still be down mentally, better days are ahead!

As we face the uncertainties of 2021, I admonish you all to take it one day at a time and always remember to take time off for yourself. Undoubtedly the days are coming once again where we'll feel like running away from all our problems but always remember true leaders face their challenges head-on and fight the good fight! At the end of the day, through all the chaos there is always a lesson to be learned that will change our mindset and lives for the better.

Happy new year ! God bless you all and stay safe !

~ Semaj

We did it Key Club! We did it!

We made it out of 2020. You made it through all the struggles and setbacks and you've crossed the finish line for another year. Now we are starting a new one and since life is a marathon and not a sprint, during this year I wish for you endurance, strength, patience, opportunities, change, and happiness. Enter into this new year with a mindset that is ready to take down any distractions, ready to pursue action, and to find beauty in every situation.

Remember to enjoy every moment and whatever comes along I'm sure the Key Club family will be here for you
Happy New Year 🎉

~DLG Siranie Dias

MESSAGES FROM THE BOARD CONTD.

Members of Key Club Jamaica District,

2021 is a brand new year for us to renew our commitment to provide service to our homes, schools, and communities. In the midst of this pandemic brought on by COVID-19, some might find it difficult to have some level of normality. We can still brighten the corners where we are by having meetings and do little things. It is the little things that really matter. Where a few club members fellowship through the Zoom, Google Meets, WhatsApp, Microsoft teams, or face time. Let us use the technology to create a means of fellowship and provide the vehicle that can change the world. We have not been able to physically have meetings

or to see our friends for ten months but we have been able to still do projects and meet through the various modalities.

In 2021 the need exists for us to all reach out to other clubs in this district and create a greater bond as some clubs and members have no means of communicating and need to feel a sense of belonging. Last year as a district we started the tablets for Key Club members initiative that some members have been really appreciative of and we continue to find means to help them to make sure that they keep on par with school and communicate with friends and family near and far. We can do more to impact positively on the lives of others during this pandemic. The clubs that have donated cleaning agents to hospitals and children's homes are impacting their communities. The delivery of cleaning agents to police stations also is another innovative project. A need exist for our club members to now turn to assisting each other with learning materials as not all were able in the first term to understand fully everything that was taught. Club presidents need to step up to the plate and motivate members to be involved. Ask club members how and if they are interested in assisting others. We don't have to leave home to get some things done as club members have shown they can use technology to make this world a better place. Thanks to the clubs that paid dues and the members that used whatever means to get to faculty advisors dues are needed to make sure we are Key Club strong. Thank you to the club presidents that reached out and assisted and also those who assisted others that needed help.

It is not our intention to close down any Key Club and we hope no club takes on the ACOVID status as this has serious implications for the clubs and the district. We are working to make sure that each club stays afloat and working to get new clubs formed as even in the midst of COVID we must grow as a district. If you know of a school without a key club please contact your Lt Governor or the Governor as we have to make sure that in every school they know who we are.

Key Club members remember to check up on each other and check up on that Key Clubber near you whom you have not heard from in a while. Let us rekindle the energy in our district and make this world a better place. Our motto says 'Caring- our way of life ' and we need to show the whole of Jamaica that we really care. Let us continue in 2021 what we started and as we end our meetings with the song 'United we stand, divided we fall'. Let us be a unified organization and create caring, competent leaders to build a better Jamaica through the vehicle of unselfish service.

~Christopher Humber

stchs_keyclub Yesterday our executive members along with a few others members managed to assist and execute our christmas donation drive for the Strathmore Children's Home. Our division LG Kodesh Doiley as well as our District Administrator Mr. Humber were also present. The project was indeed successful and we would like to express sincere gratitude to our members and everyone who contributed. A big thank you to you all! As our motto states "Caring Our Way Of Life" let us continue to excel in service to others. 💙💛

PREEMIE AWARENESS MONTH

Check out our
website
[www.keyclub
jamaica.com](http://www.keyclubjamaica.com)

At the start of November we reminded our clubs that November is recognized as Prematurity Awareness month. As such many took to creating their own awareness posters and infographics about the matter. Others even featured it in their club's monthly newsletter.

On the following pages are some of the highlights.

November is Prematurity Awareness Month

March of Dimes is a foundation dedicated to offering care and support to mothers and their babies throughout the course of pregnancy and post-natal care. They are also one of Key club international's main sponsors. Key Club Jamaica is asking you to show your support for this initiative by:

- ✓ **Holding fundraisers** to donate to children's hospitals or foundations like March of Dimes
- ✓ **Creating posters and infographics** about different aspects of Prematurity and tagging @keyclubjamaica
- ✓ **Colour me purple** wearing purple at K-family events and tagging @ckicarbbean and @keyclubjamaica

Thank you for your support!

   #PREMATURITYAWARENESS

Of course we cannot forget the services that were kept during this oddly festive season.

NOVEMBER 2020

Prematurity Awareness MONTH

12% of babies are born premature every year, with 7% not surviving.

On the 17th of November, March of Dimes shines light on the global crisis of prematurity. Join them in assisting these families by:

- **DONATING** to support lifesaving research and community-based programs to improve the health of mom and babies.
- **Demanding #BlanketChange** for policies that put moms and babies first.
- **Lighting it purple**, including your office, lobby or the outside of your workplace or home. If you can wear it, make it purple, too.

Visit <https://www.marchofdimes.org/mission/world-prematurity-day.aspx> for more information.

NOVEMBER 2020

Prematurity Awareness MONTH

Every year, November is celebrated as Prematurity Awareness month, along with World Prematurity Day on the 17th of November. This month raises awareness about preterm birth and the concerns about preterm babies and their families.

The chart below provides information about the masses (weights) of the different types of premature babies.

M	T	P	N
Micro	Tiny	Preemie	Newborn
1-2.5lbs 11-15"	2-4lbs 14.5-16.5"	3-6lbs 15-18.5"	5-8lbs 17.5-21"
.45-1.1kg 28-38cm	.9-1.8kg 37-42cm	1.36-2.7kg 38-47cm	2.3-3.6kg 44-54cm

CHRISTMAS

Carol Service

On Sunday, December 20, 2020, Key Club Jamaica hosted its annual District Carol Service. Despite the limitations of the time, the district board was able to host a wonderful service via zoom that was attended by Kiwanians and Key Clubbers across the island.

The service was called to order by the District Governor Demario Mew and continued into beautiful bible verse readings and carol selections. Throughout the service, the board and featured guests

graced the zoom audience with thoughtfully curated musical accompaniment as well as beautifully edited video and wonderfully written story to set the tone for the service. The Christmas story featured during the service was organized by District Lieutenant Governor Siranie Dias and was well-received by all in attendance.

The board would like to thank all who were in attendance and wish you all a blessed holiday and happy new year!

JAMAICA DISTRICT KEY CLUB

AIDS AWARENESS DAY

You're just a call away from getting the help you need.

DON'T BE AFRAID!
IT'S YOUR LIFE!

What is Aids

AIDS STANDS FOR ACQUIRED IMMUNODEFICIENCY SYNDROME:

A- ACQUIRED. THIS CONDITION IS ACQUIRED, MEANING THAT A PERSON BECOMES INFECTED WITH IT.

I- IMMUNO. HIV AFFECTS A PERSON'S IMMUNE SYSTEM, THE PART OF THE BODY THAT FIGHTS OFF GERMS SUCH AS BACTERIA OR VIRUSES.

D- DEFICIENCY. THE IMMUNE SYSTEM BECOMES DEFICIENT AND DOES NOT WORK PROPERLY.

S- SYNDROME. A PERSON WITH AIDS MAY EXPERIENCE OTHER DISEASES AND INFECTIONS BECAUSE OF A WEAKENED IMMUNE SYSTEM.

How is Aids caused?

ACQUIRED IMMUNODEFICIENCY SYNDROME (AIDS) IS A CHRONIC, POTENTIALLY LIFE-THREATENING CONDITION CAUSED BY THE HUMAN IMMUNODEFICIENCY VIRUS (HIV). BY DAMAGING YOUR IMMUNE SYSTEM, HIV INTERFERES WITH YOUR BODY'S ABILITY TO FIGHT INFECTION AND DISEASE.

Can Aids be treated?

CURRENTLY, THERE IS NO CURE FOR HIV/AIDS. ONCE YOU HAVE THE INFECTION YOUR BODY CANNOT GET RID OF IT. HOWEVER, THERE ARE MANY MEDICATIONS THAT CAN CONTROL HIV AND PREVENT COMPLICATIONS. THESE MEDICATIONS ARE CALLED ANTIRETROVIRAL THERAPY, (ART).

Finally, For the Christmas season the board made a video to greet the District and it was played during our Carol Service.

Check out the full video by going to @keyclubjamaica on Instagram.

in this video we expressed our gratitude for all the people who supported our district events, especially key club week, so far.

Then there was a reminder to stay safe and enjoy the holiday break but get ready to come back, this January even more eager to serve.

Finally, we said Merry Christmas and Happy holidays to you all, we appreciate you so much, words cannot express the gratitude we feel being able to serve such a vibrant set of students.~

UPCOMING EVENTS & REMINDERS

DISTRICT PROJECT Update

On Monday the 21st of December, Daniel Neil was the first recipient of the tablets drive and he was really appreciative as he said that he will have his own device to get onto the learning management system. Daniel also stated teachers will now be able to see him in the online setting. He was impressed with the Bluetooth connectivity of the key club board and could be seen testing it out. He was able to go onto Quizzes at the onset of the setup and do some school work. Daniel is thankful for being a member of the Key Club and sees that initiatives like this providing tools in building the members' academic and intellectual prowess. As a fifth form student with

School-Based Assessments to complete and using the online learning management system will now make Daniel Neil prepared to tackle the new teaching and learning methods. Daniel said 'Key Club put back hope and Christmas for him in the midst of the Covid lockdown.

St Catherine High hand over of tablets to club member Anneque Bennett who was so appreciative of receiving this tablet. She said it was timely and told us she thought she was only coming to school to do a major emphasis project and not realizing that she was to be a recipient of a tablet from Key Club as well. DG Hope idea of providing these tablets for key clubs really make a difference in the lives of these students.

New COVID-19 Strain: What we know

Facts about the new COVID-19 variants

- Viruses are known to change and **mutate constantly**.
- There have been **many mutations** in the virus since it emerged in 2019.
- New variants can also be **less virulent**. But if they spread faster, causing the same severity, **more people will get sick in a shorter span**.

Facts about the new COVID-19 variants (Cont'd)

- **South Africa** has also reported a new COVID-19 strain. It has mutated further than the UK variant.
- The **Danish government** culled **millions of mink** after a mutated version of the coronavirus was found in the animals.
- The latest discovery is a new variant that emerged in **Nigeria**. This **P681H** variant **does not spread as fast** as the other two new variants.

Facts about the new COVID-19 variants (Cont'd)

- **None** of the new strains have been found to **make the virus deadlier**, or able to **evade vaccines or treatments**.
- One of the first strains reported is known as **the UK variant**, named VUI-202012/01. It was discovered in the UK's southeast, in London.
- The UK variant has spread to **Italy, Denmark, the Netherlands, Australia and Singapore**.

Senior Home Letter Writing

Writing a letter to a senior can easily brighten their day so go out and find a home that will allow you to and try to make them as personal as possible! We can't wait to see the smiles you put on their faces :)

- TLC SERVICES ltd Nursing & Retirement Homes (Kingston)
- Aydene Methodist Home for Senior Citizens Kingston
- Mountain View Nursing Home (Manchester)

- K & N senior living (Clarendon)
- Prestige Adult Care (St. James)
- Sunshine City Golden Age Home (St. Catherine)
- DCS Nursing Home (Westmoreland)

This is self explanatory but remember to keep turnout to a minimum and ensure that all participants are wearing masks at all times. ☺

Park/Street/Beach Cleanup

Be My Eyes

"Be My Eyes is a free app that connects blind and low-vision people with sighted volunteers and company representatives for visual assistance through a live video call." - taken from <https://www.bemyeyes.com/>

Note: This app connects to people all over the world not necessarily Jamaica

The app has one main goal: to make the world more accessible for blind and low-vision people.
